

Our Mission Statement

Congregate Living Facility, Inc. emphasizes the personal needs of each family member Placed in our care to enhance their quality of life and daily experiences.

The reputation of Congregate Living Facility, Inc. is founded on a world-class care program, personalized to each resident's needs, facilitated by an expert staff with an unsurpassed collective track record. We will fulfill this through our Mission:

We are committed to providing individualized, exceptional, and compassionate healthcare for the families in our community. Our Mission to get each and every patient back home to their families or to be able to live independently (regardless of their condition).

Our full team of Health Care providers will strive to accomplish this Mission by committing to:

1. Fully meeting the needs of each resident while challenging them to the highest level of personal functionality in the tasks of daily living. We will strive for advancement in the physical, mental, and spiritual aspects of their lives.
2. Use the best nursing care, physical and occupational therapy, nutrition, exercise, as well as recreational and community building activities to enhance the lives of our residents.

Our Vision Statement

The Vision we hold for Congregate Living Facility, Inc. clearly defines where we are headed and what we aspire to be, while accommodating to the needs of the residents. It will help build our community, inspire action, yet keep us grounded.

Our Vision is grounded by the following:

Providing high-quality, personalized care. We recognize that our facility is more than just a business. It is a facility that serves our families with caring hearts and helping hands.

Our Nursing Home will strive to accomplish our Vision by committing to:

- Knowing the needs and preferences of each resident.
- Fostering an environment of loving compassionate care.
- Taking the time to know and accommodate to the family as well as to the resident.
- Promoting excellence in every department.

Our Guiding Core Values

Our Strategic Plan brings together our strengths to provide an environment where residents and their families are more than clients. Building friendly relationships with each resident and their families is a high priority. Congregate Living Facility, Inc.'s strategic direction is guided by the basic beliefs and values inherent in the Mission and Vision of the organization:

Quality - Enhancing the quality of life through excellent services

Honesty - Dealing with our clients, employees, and families in an open and forthright manner

Professionalism - Serving in a professional manner

Respect - Providing an environment where all are valued

Thankfulness - Serving gratefully
